Levels of access definitions

General client access: Access to QTC products, services, rates and tools. This level of access does not require Authority.

Financial client access: General client access, plus access to client specific statements, reports and notifications, transactions and repayment schedules.

Transaction initiator client access: Financial client access, plus ability to initiate debt and/or investment transactions.

Note: Access to initiate and authorise transactions on QTC Link is also given to persons named on your organisation's Authorised signatories form for transacting on debt or investment accounts or products.
