

WORKSHOP

ASSET MANAGEMENT

THE QTC EDUCATION PROGRAM SUPPORTING QUEENSLAND'S PUBLIC SECTOR THROUGH SPECIALIST DEVELOPMENT

Asset Management is a one day workshop designed to enhance your level of awareness and understanding of strategic asset management. The workshop provides the tools you need to ensure your organisational asset management initiatives are aligned for sustainable outcomes.

The workshop combines class discussions with practical exercises giving you the opportunity to apply the techniques you learn in a real-life context. The material is presented in an easy-to-understand manner and contextualised for the public sector.

WHO IS THIS WORKSHOP RECOMMENDED FOR?

The workshop is designed to assist those who are accountable for various aspects of asset management in capital intensive local governments and state government departments across procurement, asset management, and finance functions. No prior knowledge of the topics is assumed as the workshop introduces asset management concepts. The workshop is suitable for chief executive officers, finance and procurement managers, and project management teams.

WHAT YOU WILL LEARN

At the completion of the workshop, participants will be able to understand:

- Key asset management concepts
- The key elements of ISO55000 and an asset management framework
- Factors impacting asset management maturity models
- Responsibilities of those involved in strategic asset management

In addition, participants will be able to:

- Identify linkages between their organisation's strategic plan and asset plans
- Influence alignment between asset management planning and other aspects of their business management

TOPICS COVERED

- Key concepts in asset management
- Elements of an asset management framework
- Alignment of asset management planning to strategic organisational plan
- Content of an asset management plan
- Developing an asset management plan
- Links to long-term financial planning
- Responsibilities of asset managers
- Sustainability

DURATION

1 day

LOCATION

The University of Queensland
Business School
Level 6, 293 Queen Street
Brisbane CBD

GRADUATE CERTIFICATE PATHWAY

This workshop could contribute toward a Graduate Certificate in Business Leadership (Public Sector Finance).

To find out how to enrol in the graduate certificate program, visit clients.qtc.com.au/education

WORKSHOP OVERVIEW

- Introduction to asset management principles and terminology
- Establishing the need for good asset management practice
- Understand how service levels and risk influence asset management
- Identify the elements of a successful asset management plan
- How to use asset management and classification
- How to assess asset management maturity
- Aligning asset management practice to organisational objectives

PRACTICAL EXERCISES

Participants will develop or review an asset management plan towards the end of the session to reinforce the concepts introduced throughout the workshop.

CONTINUING PROFESSIONAL DEVELOPMENT

Completion of QTC Education Program workshops may be recognised for the purpose of continuing professional development hours for members of the Australian Institute of Company Directors (AICD), CPA Australia, Chartered Accountants Australia and New Zealand (CA), Financial Services Institute of Australasia (FINSIA), Governance Institute of Australia, and other professional bodies and associations.

ABOUT US

Queensland Treasury Corporation and The University of Queensland Business School have come together to develop and deliver leading financial education and training courses to the Queensland public sector.

QUEENSLAND TREASURY CORPORATION

As the Queensland Government's central financing authority, Queensland Treasury Corporation (QTC) plays a pivotal role in securing the State's financial success. With a focus on whole-of-State outcomes, QTC provides a range of financial services to the State and its public sector entities, including local governments.

These services include:

- debt funding and management
- cash management facilities
- financial risk management advisory services
- specialist public finance education.

THE UNIVERSITY OF QUEENSLAND

The University of Queensland (UQ) has maintained a global reputation for creating positive change by delivering knowledge leadership for a better world.

UQ Business School is independently ranked as one of the top business schools in Australia and among the leading institutions worldwide.

The Business School fosters courageous thinkers and empower students and staff to positively transform business and society. Our global industry connections, cutting-edge research and celebrated educators shape our transformative programs and custom education options.
